Dear Friends:

This year marks the 15th Annual Drive Against Drugs Golf Tournament to benefit WNY United Against Drug & Alcohol Abuse, Inc. The tournament honors the legacy of the late Robert E. Rich, founder of Rich Products Corporation, who was an avid golfer. Mr. Rich's generosity and energy left a permanent mark on Western New York's charitable organizations, including WNY United. In 1986 WNY United was started by Bob and Mindy Rich.

For the fourth year we have been the Co-Chairs of the Drive Against Drugs Golf Tournament to help raise money for the Agency. We are returning to the beautiful Orchard Park Country Club again this year for what plans to be another successful tournament and fun day! WNY United has been serving Western New York Communities with research based substance abuse prevention programming for over 30 years. The money we raise will help WNY United expand into a new school district to provide their services. These services give local kids the skills they need to make the right decisions when they are confronted with alcohol, tobacco and other dangerous drugs. They are much needed in the current state of epidemics.

So, grab your clubs and join us for a day of golf for a great cause. There are also plenty of opportunities for those unable to play. Thank you in advance for your consideration of this fun and worthwhile event. We're looking forward to another successful year with your help.

Sincerely,

John Lunn
